1) State Insurance Departments require insurance companies to prepare unconsolidated financial statements based on statutory accounting principles. Each insurance company has financial responsibility only for the products and services it issues. In general, statutory accounting principles are more conservative than Generally Accepted Accounting Principles (GAAP). 2) GAAP numbers are prepared on a consolidated basis including American National Insurance Company and all its subsidiaries. 3) Total Life Insurance in force is on an unconsolidated basis. Ratings reflect current independent opinions of the financial capacity for an insurance organization to meet the obligations of its insurance policies and contracts in accordance with their terms. They are based on comprehensive quantitative and qualitative evaluations of the company and its management strategy. The rating agencies do not provide ratings as a recommendation to purchase insurance or annuities. The ratings are not a warranty of an insurer's current or future ability to meet its contractual obligations. Ratings may be changed, suspended, or withdrawn at any time. For the most current ratings view the full rating reports on American National's Internet site at [www.americannational.com](http://www.americannational.com). 4) A.M. Best's active company rating scale is: A++ (Superior), A+ (Superior), A (Excellent), A- (Excellent), B++ (Good), B+ (Good), B (Fair), B- (Fair), C++ (Marginal), C+ (Marginal), C (Weak), C- (Weak) and D (Poor). 5) Ratings from 'AA' to 'CCC' may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories.
